I, the undersigned, do hereby wish to terminate my membership with Maker13,

(Please print name) _____, as marked by my selection(s) below.

- I understand that cancelling my membership will also remove any training I have taken from my records 6 months from my last use, and should I decide to join Maker13 at a later date, those classes would have to be taken again.

- By checking this box, I hereby acknowledge that my membership will be terminated at the end of my current contract term. No further membership charges will be incurred and previous contract terms or classes will not be refunded.

- I understand that I will be able to pay by the hour, at the current rate, for up to 6 months after my last class, or last use, of the equipment set I am wishing to use.
